bud brand www.bud-brand.com/en

bud brand is a project for next generation of talented Japanese creators as 'buds'. It's about to cause a sensation in the world.

They are ready to bloom beautifully their talent! We have supported them to exhibit in Milano Design Week from 2016.

The object theme of bud brand 2019

【essence of journey】

The theme of objects is about bringing joy to
'JOURNEYS' regardless of any circumstances, any situations and anytime.

Milano Design Week 2019 bud brand Exhibitors

Bud brand plans to exhibit 13 objects this year.

Our missions are supporting our exhibitors and development of next generation creators as human resources.
Accordingly, we work closely together to assist with students, craftsmen and local industrials.
